SOLIDARITY WITH FRENCH TRADE UNION PROTESTS AND INDUSTRIAL ACTION

The Public and Commercial Services Union (PCS) stands in solidarity with our brothers, sisters and comrades in French trade unions in their fight for fairer pensions.

Over recent weeks we have followed the trade union action and protests against the French government's unfair plans to reform pensions to the disadvantage of workers, and the fight for a fairer reform of the pension system.

You have the complete support of PCS in challenging the attacks on working people. Here in the UK, PCS also continues to campaign to achieve pension improvements. We are absolutely clear that your fight is our fight, and we wish you every success with your campaign to secure a fairer reform of the pension system. Please let us know if there is any other practical support we can provide.

In solidarity,

MARK SERWOTKA
General Secretary
